- 6- Acoustic Guitar (John)
- 7- Banjo (John)
- 8- Accordion (John)
- 9- Fiddle (Larry)
- 10- Eric Vocal
- 11- Mike Vocal
- 12- Rick Vocal
- 13- John Vocal
- 14- Kick
- 15- Snare
- 16- Drum Mix (aux mix of toms & drum OH's, sent to our monitor mixer)

6 total band members. 4 singers. We provide all microphones, stands, cables & DI's for channels 1-15 as indicated. This includes kick & snare. You provide all other microphones, stands, & cables for the rest of the drum kit. Inputs 1-15 will first go through OUR on-stage monitor console and then out of it into YOUR on-stage snake box using OUR XLR splitter. A mix of the toms & OH's will go into Channel 16 (XLR) of our monitor mixer. Please position your snake box directly behind our monitor rack. This allows us to easily facilitate our on-stage, six-mix, personal in-ear monitor system.
